Final High School Transcripts After May 1, we will provide a list of students from your high school who have accepted offers of admission to Purdue. We will ask you to send final high school transcripts for these students. Final transcripts are required for students who will enroll at Purdue.

High School Profile

Please include a high school profile with this student's application. Your school's profile will help us understand the opportunities and challenges your students experience. It also will give us a clearer picture of the community in which your students live.

Mailing Address

Send all correspondence to the Office of Admissions at the address below. If you have questions, please contact us by phone or e-mail.
