IMPORTANT INFORMATION

- There is a nonrefundable $60 application processing fee. This fee is required of all nondegree applicants, whether or not you have applied to Purdue in the past.
- Nondegree status is generally reserved for local residents taking a course for personal enrichment, students taking an online course offered by Digital Education (https://www.digitaleducation.purdue.edu/), or guest students from other universities who will transfer coursework back to their home institution.
- A $200 late registration fee will be assessed to anyone who schedules for the fall or spring semesters on or after the second Monday of classes; for all summer modules, this fee will be assessed on the second day of classes.
- Nondegree students may take up to seven hours of coursework during the fall and spring semesters; a per-credit-hour fee will be charged. During the summer session, nondegree students may take up to six hours of coursework; those taking six will be charged full fees. Exceptions to the number of credit hours a student may carry are granted to students who have completed a bachelor's degree and to visiting college students who provide documentation that they are in academic good standing at any previous or current institution attended and who plan to transfer the credit(s) back to their current institution.
- Local high school students wishing to take a class must provide a copy of their most recent high school transcript along with a signed high school nondegree permission form (available at http://admissions.purdue.edu/apply/admissiondocuments.php).

- Nondegree students enroll in regular credit coursework and establish a Purdue University academic record which may be applied to a degree program at a later date. Admission as a nondegree student does not guarantee admission as a degree-seeking student.
- Be aware that there are deadlines regarding when students can withdraw and/or modify their schedules and that refunds are based on when a student withdraws or drops a class.
- Falsified information provided on the application may result in denial of admission and/or termination of enrollment at Purdue University.
